Members & friends of Lake Shore  
Property Owners - met Aug 18 - 1960 at the  
Pine Haven Christian Assembly Camp -  
for a pot-luck dinner and business meeting  
Dr Becker called on Dr Ralph Kruger to  
return Thanks.

There were about 80 present -  
The meeting was called to order by President  
Dr Becker.

New members and guests were introduced to the  
group - Dr Becker called on Coyne Oldham to lead  
the group in Community Singing.

Dr Becker thanked Mrs Kruger and the helpers.  
Dr Becker also thanked ~~Rev.~~ Mr. Cachiara for the use  
of the Camp facilities - Mr Cachiara - replied - that  
we were welcome to use the Camp at any time it  
was available.

The President announced that Mr Don Langan  
offered to cut any unwanted trees for the wood - the  
disposal of the brush was left to the individual.

Mr Oldham read a letter from Dr Frank  
in regard to the placing of Speeding Signs along  
the road - His letter stated that his information  
for the Highway Commission would have to be taken  
to the County engineers.

Mr Hammer brought up the question whether or not we have public access to our Lake since this controls the stocking of the Lake by the Game and fish department.

His question was answered by one of the guests - Stating that the entrance to the Lake, at the town of Hubbard is considered as public access - which makes possible the future stocking of the Lake by the department.

The President then introduced representatives of the department.

They gave a report, of the survey of Long Lake in 1959 - this report is available to any one who wishes to read it following this report.

Interesting slides were shown and explained by Mr William Joy the netting and the hatching and the stocking of fish in our region.

The President thanked the speakers for their time and interest, and the meeting adjourned.
